

## Delivery Volunteer Safety Protocol

***ATTENTION:*** *If you or any member of your household members are sick or have any cold or flu-like symptoms, or if you have had any symptoms in the last 14 days, please stay home and do not volunteer. If you are 60-years-old or above, or if you have underlying health conditions, please stay home and do not volunteer. Additionally, if you have traveled via airline in the last 14 days, please stay home. Please do not bring any children under the age of 16 with you. This is for your safety, your family's safety, and our community's safety. Thank you.*

Thank you for volunteering to deliver food packages with Packed with Pride to help serve our community. Please carefully read the following safety protocols prior to starting your shift to keep yourself and others safe:

- If you begin to feel sick or experience any symptoms, please go home.
- Wear clean clothes that have not been worn since you last washed them.
- Prior to leaving your house, wash your hands with soap and warm water for 20 seconds.
- Prior to leaving your house, sanitize all components of your vehicle that your hand will come in contact with: keys, door handles (inside and out), steering wheel, gear shift, etc.
- Prior to starting your shift, wash your hands with soap and water for 20 seconds on arrival.
- Do not come into contact with any other volunteers on site; remain six feet apart at all times.
- Do not come into contact with any students, families, or individuals at delivery sites.
- Sanitize your hands after each delivery.
- After arriving home, remove clothing and put it directly in the washing machine.
